M8083	 The image displays four different perspectives of a black plastic car wheel assembly. The first view on the left shows the wheel from a side profile, featuring a silver-colored multi-spoke hubcap. The second view shows the wheel from a slightly different angle, highlighting the black plastic fender. The third view is a top-down perspective, showing the black plastic housing and the silver hubcap. The fourth view on the right shows the underside of the wheel assembly, revealing the internal structure and the mounting points for the wheel.	Total height:9.5cm Wheels diameter:5.5cm
M9011	 The image displays four different perspectives of a black plastic car wheel assembly. The first view on the left shows the wheel from a side profile, featuring a black hubcap. The second view shows the wheel from a slightly different angle, highlighting the black plastic fender. The third view is a top-down perspective, showing the black plastic housing and the black hubcap. The fourth view on the right shows the underside of the wheel assembly, revealing the internal structure and the mounting points for the wheel.	Total height:10cm Wheels diameter:4.8cm
